**The First Annual
"GOOD OL' BOY
SOUTHERN SCRAM"
Golf Tournament**

Autism
Resources and
Education

This Ain't your typical golf tournament, glance towards the parking lot there will be no BMW's or Mercedes insight ! It's not all about that, it's about being a **Good Ol' Boy**, about a group of guys who work hard, and it has been a hard year. It's about getting together, relaxing, kicking back a few, and having a good time! There is no doubt, they know how to do that!

This time there will be something different to help justify their good time, they are doing it all in the name of charity.
